Lexus exterior accessories are designed to help you to customise the look of your Lexus, creating the 'look' and personality that matches yours.

## Exterior

### Trunk chrome ornament

Sedan

Made of highly burnished chrome, its exquisite detail adds an extra touch of elegance.

### Front chrome ornament

Sedan SportCross

Mounted above the radiator grille, it strikes a subtle highlight that pleases the eye.

### Rear spoiler

Sedan

Perfectly matched to body colour, adding a sporty touch, and the added safety of the high-mounted stop light.

## Exterior

### Alloy wheels (17")

Sedan

A sporty, 16-spoke, wheel that adds a look of motion even when standing still.

### Wheel locks

Sedan

Anti-theft wheel protection crafted into precision-weighted hardened steel with a round, virtually impossible-to-grip design. Narrow-groove key patterns and specially-coded keys ensure ultimate security.

### Front/Side skirts

Sedan

Available individually or in a complete ensemble, front, side and rear skirts give an assertive, sports car look that is sure to catch the eye.

*Note: side and rear skirts cannot be combined with mud flaps.*

### Rear fog lamp contours

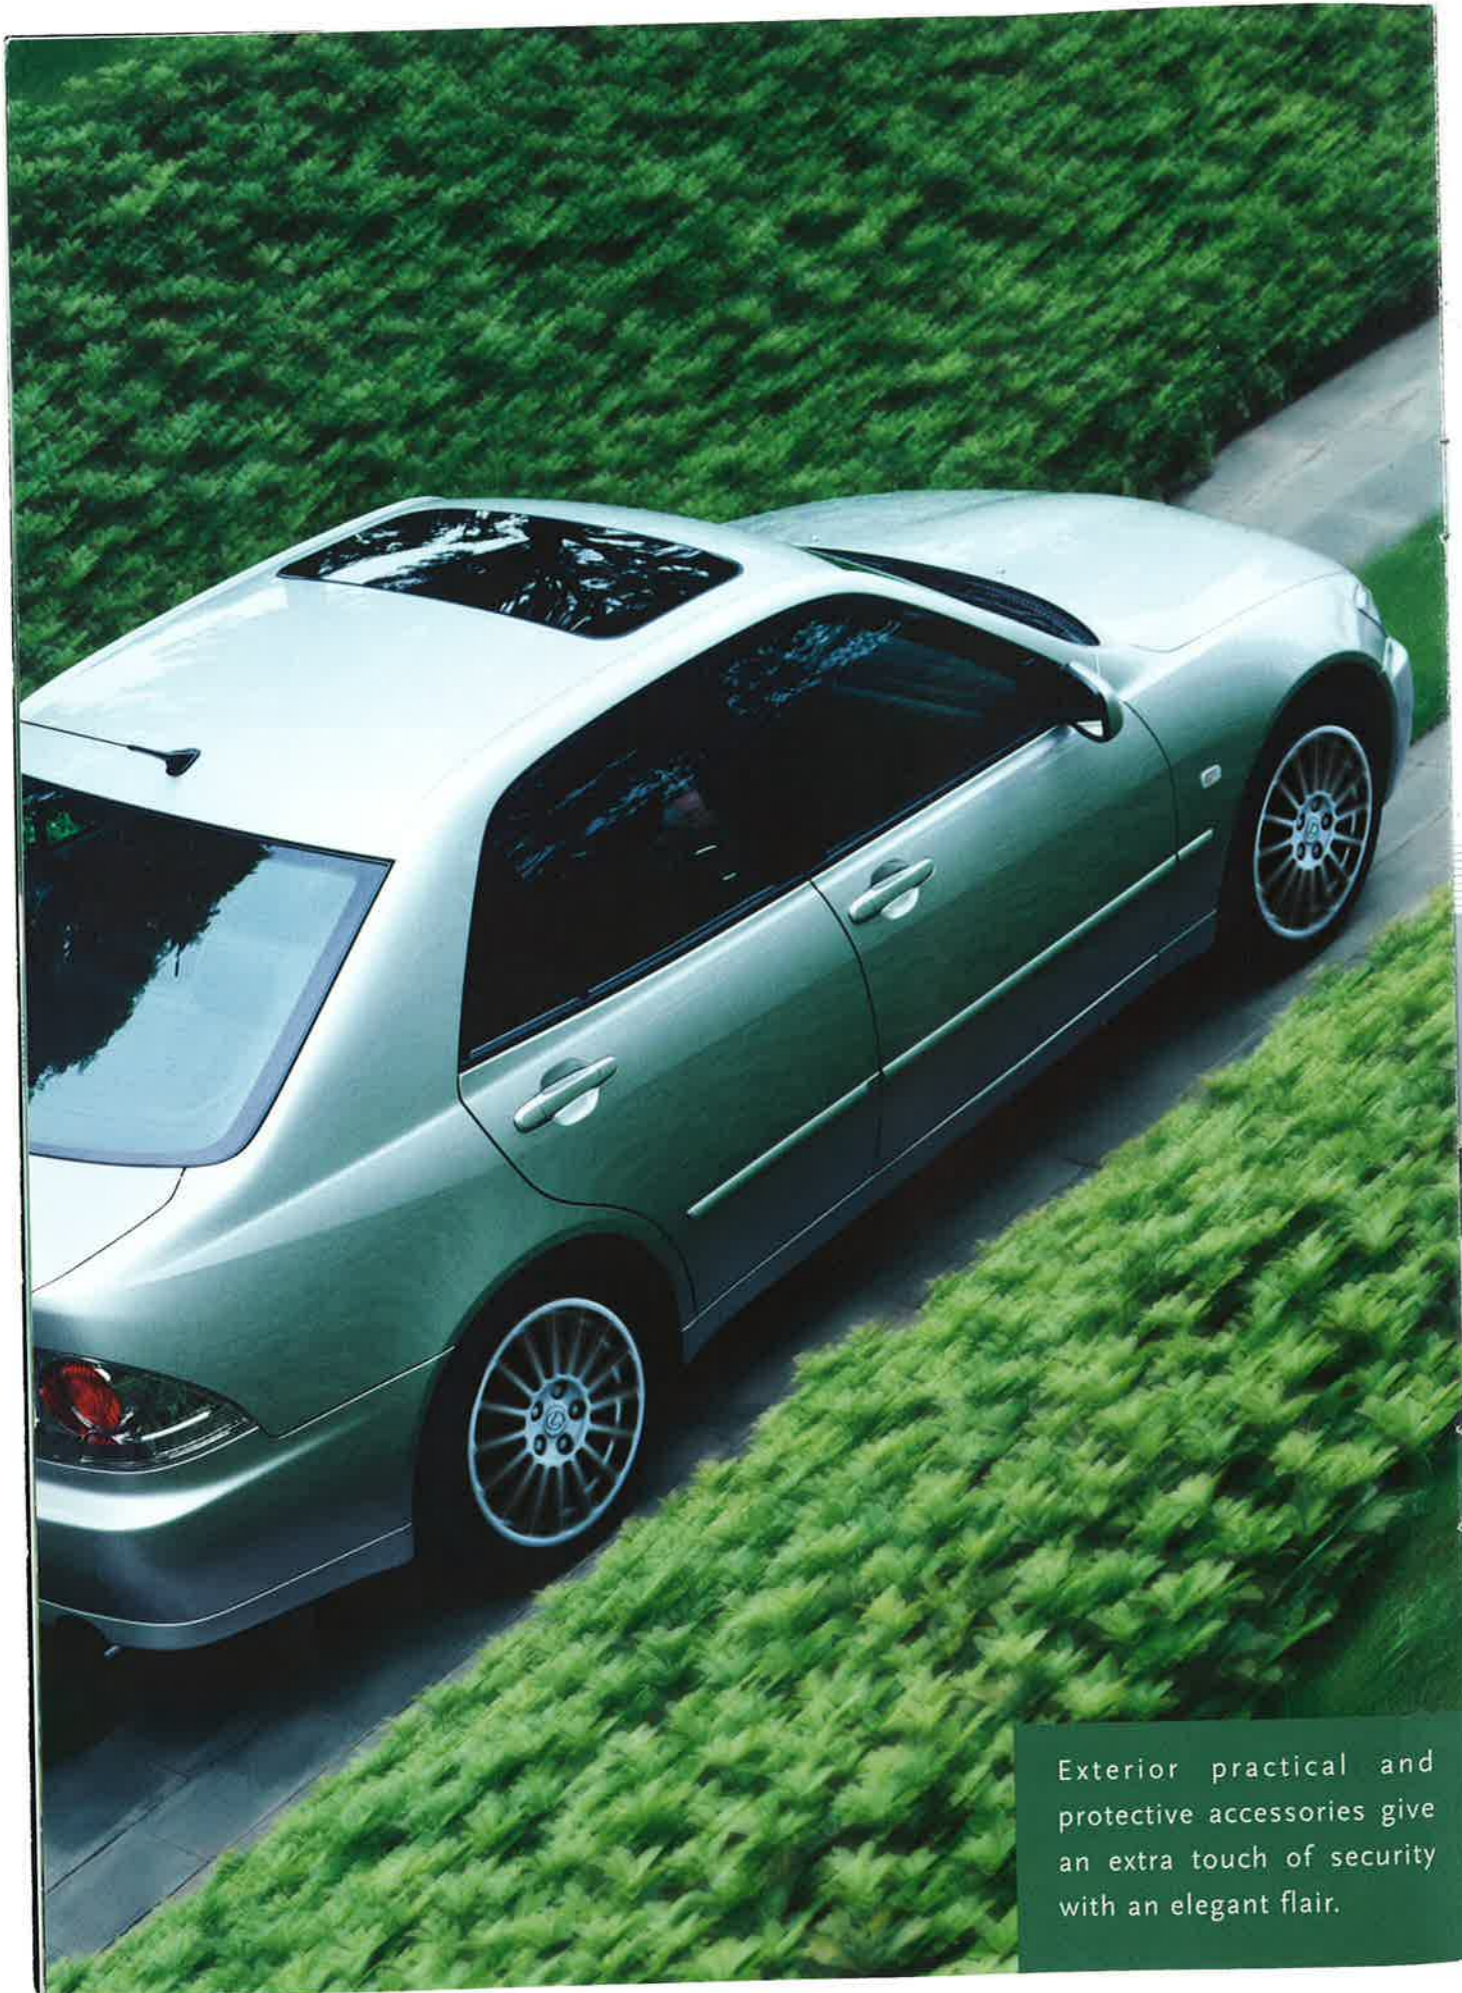

Sedan

Adds detailed elegance with a bright flair of originality.

Exterior

Exterior practical and protective accessories give an extra touch of security with an elegant flair.

**Roof rack with surfboard holder**

Sedan SportCross

A completely-new, aerodynamic, modern design roof rack which is tailored to perfectly fit and complement the shapely flow of the IS300/200 roof. Easy to install, and quickly detached, it is fully lockable and capable of an expanded carrying capacity. Can be adapted with purpose-designed carrying accessories, of which a selection is shown on this page, based on your needs.

**Roof rack with luggage box**

Sedan SportCross

A modern, sleek, 380-litre capacity luggage box, lockable and equipped with load security straps. Measuring 1.5m long by 0.9m wide, its lightweight design makes it easy to install and remove.

**Roof rack with ski holder**

Sedan SportCross

The small ski holder holds up to 4 pairs of skis (or two snowboards), and the large ski holder carries up to 6 pairs of skis (or 4 snowboards). Both ski holders are lockable.

**Roof rack with barracuda bicycle carrier**

Sedan SportCross

The purpose-designed, lockable carrier totally secures a bicycle thanks to its moulded wheel profile and vertical handle.

## Exterior

### Wind deflectors

Sedan SportCross

An ideal addition for people who love the feel of open air but prefer the peace of low wind noise, gentle air movement and rain shelter.

Sleek and subtle, they flawlessly match the contours of the IS300/200.

### Detachable towing hitch

Sedan SportCross

Delivered with a purpose-designed wiring kit, the secure, detachable towing hitch is easy to install, lockable, specially anti-corrosion treated, and tested to perform under the most severe conditions. The tow ball is removable, and the design integrates tastefully.

## Exterior

### Wheel covers

Sedan SportCross

Designed to elegantly cover steel wheels.

### Mud flaps

Sedan SportCross

Specially designed to provide style as well as protection, a safeguard for your investment against mud, dirt, and stone chip damage.

### Rear parking sensors

Sedan SportCross

A superb aid to city parking that helps avoid bumper damage. You can choose between a 3-sensor or a 4-sensor system.

The sensors emit an audible alarm signal that indicates when you are approaching another car or obstacle.

Lexus interior accessories give a host of luxurious and practical conveniences for you and your passengers. They also help reduce wear and tear, assuring that you keep your investment in good condition for years to come.

## Interior

### Scuff plates

Sedan SportCrossover

As well as adding wear protection for interior door sills, scuff plates add an elegant, sporty, alloy look, with a statement of style and symmetry.

Front

Rear

### Sport gear bag

Sedan

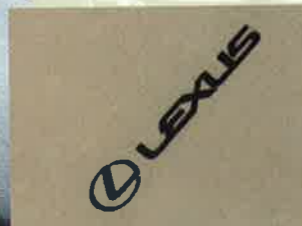

The practical, safe, sport gear bag transports skis (or any other long item). It is elegantly designed in top quality black waterproof material, and securely fixed into position in the cabin-to-trunk opening.

Interior

### Textile floor mats

Sedan SportCross

Made from the highest quality materials, the textile floor mats integrate flawlessly, protecting the original carpet and providing soft, extra comfort under foot. They are available in black or beige and elegantly complement interior colours. Distinguished by their embroidered Lexus logo, and backed with anti-slip rubber.

### Rubber floor mats

Sedan SportCross

The ultimate protection for the original carpets, these self-aligning, stylish and durable natural rubber accessories are easily cleaned. Sets are available for both front and rear seats.

### Trunk liner

Sedan SportCross

A perfect way to protect your original trunk carpet from dirt and water. A high quality, perfectly fitted, Lexus-branded protective product that is also compatible with the horizontal and vertical Cargo Nets. Easy to clean and self-aligning, making it easily positioned in the trunk.

## Interior

### Cargo net, horizontal

Sedan SportCross

Helps secure groceries, briefcase, or suitcase in the trunk, preventing them (or other cargo) from sliding around. Made of rugged, black nylon netting and plastic hardware attachments, it is secured to the floor by four hooks. It is fully compatible with the Trunk Liner.

### Cargo net, vertical

Sedan SportCross

Like the horizontal Cargo Net, but attached to the side of the trunk. It securely keeps bottles and other small items in place.

### Child restraint system

Sedan SportCross

Ultimate child safety and comfort for many years to come. The Lexus Isofix Child Restraint System has been developed to snugly protect your child. The Isofix Child Restraint System's seat base is directly attached to the car body structure, through existing anchorage points on the IS300/200. This system improves the seat's stability during any impact. The G1 Isofix Child restraint seat (for children aged nine months to four years) can easily be transformed into the G2 Universal Seat (for children from four to six years). The G2 Universal Seat is an integral part of the G1 Isofix child restraint system.

## Interior

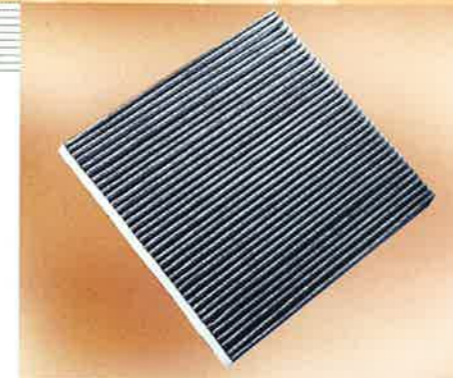

### Portable cellular mobile telephone

Sedan SportCross

Dual band mobile telephone, custom-designed exclusively for the Lexus IS300/200 in a stylish steel and silver finish. Cutting edge technical specification includes: WAP internet access, VoiceNote™, voice recognition, Vibracall™ and integrated soft modem. Hands-free cradle installation with controls mounted on the steering wheel enable safe, easy operation. (available from January 2002).

*Design of hands-free kit is not final.*

### Clean air filter

Sedan SportCross

Improves cabin air quality, thanks to its innovative technology. A dual system (dust-pollen filter and carbon anti-odour filter) that filters the incoming and recirculating air.

### MiniDisc Changer

Sedan SportCross

State-of-the-art, 6-MD auto changer installs out of sight in the luggage compartment, giving superb, digital-quality playback of all your favourite pre-recorded or home-recorded MiniDiscs.
